

# Investing In Our Future Together!

## Who we are

Junior Achievement Hong Kong (JA HK) is one of the 100+ members of JA Worldwide, and a leading provider of Other Learning Experiences in Hong Kong. Our programs enable young people to learn about the world of work from the first-hand experience of business volunteers. Since our establishment in 2001, we have engaged the support of over 22,000 business volunteers from some 700 companies to serve more than 360,000 students from over 600 schools.

We are a registered not-for-profit, tax-exempt charity under section 88 of the Inland Revenue Ordinance. We set out to **inspire and prepare young people to succeed in a global economy**. Our success hinges on the strong partnership with and valuable support from different stakeholders in the community.

## What we do

JA HK seeks to nurture a new generation of innovative, entrepreneurial, compassionate and civic-minded talents with a global vision. We deliver hands on, experiential learning in **work readiness, entrepreneurship** and **financial literacy**, creating pathways for employability, job creation and financial success.
