Introduction

- ▶ The program connects young people with career opportunities and future skills required under the Industrial Revolution 4.0. Through speed mentoring and hands-on activities on creativity & problem solving, collaboration, adaptability & resilience, young people will be guided to identify their career aspirations, and develop core competencies every youth needs in order to survive in the coming world of work.

Program Highlights

- ▶ Volunteers will lead students to learn through playing. Students will understand the important of creativity & problem solving, collaboration, adaptability & resilience in workplace. Volunteers will provide tips on further studies and career planning and share their valuable experiences in life and in workplace.

1

**Session 1 :
Creativity & Problem solving**

Students learn how to ignite their creative minds to think out of the box; and train up their creativity and problem-solving skills through fun game.

2

**Session 2 :
Collaboration**

Students learn the attributes of a high-performance team through game. Volunteers will share the important of teamwork in workplace and how to keep up a good team spirit.

3

**Session 3 :
Adaptability & Resilience**

Through case study and group discussion, students learn how to face adversity with a positive attitude.

4

**Session 4 :
Speed Mentoring**

Students will interview with 5 business mentors from different backgrounds to get their education and career advices

Student Commitment

- ▶ Pre-program activity : Students are required to read and complete the student guide before the online real time interactive sessions. It includes worksheets, watching online videos, prepare questions for volunteers etc.
- Post-program activity : Students are required to complete the Personal Action Plan.

Student Takeaways

- ▶ Acquired core competencies which are essential for future workplace: creativity & problem solving, collaboration, adaptability & resilience
- Engage with business professionals for first-hand understanding of the world of work and get the advice on life planning
- Certificate will be presented upon completion

About JA HK

- ▶ Junior Achievement Hong Kong (JA HK) is one of the 100+ members of JA Worldwide, and a leading provider of Other Learning Experiences in Hong Kong. Our programs enable young people to learn the world of work from the first-hand experience of business volunteers. Since our establishment in 2001, we have engaged the support of over 25,000 business volunteers from some 700 companies to serve more than 380,000 students from over 600 schools.

As one of the world's largest youth-serving NGOs, JA Worldwide prepares young people for employment and entrepreneurship. For 100 years, JA has delivered hands on, experiential learning in entrepreneurship, work readiness and financial literacy. We create pathways for employ ability, job creation, and financial success. Each year, our network of over 450,000 volunteers serves more than 10 million students in over 100 countries.
