## Introduction

▶ JA Money Sense equips young people with essential personal money management skills by focusing on the most relevant areas of learning under the pandemic challenge: **Financial Wellness: Spending, Saving & Budgeting**, and **Smart Shopping in the online World**. Through online talks and learning resources, the program will help develop students' self-confidence and financial capability to overcome the current challenge and any others that may come.

## Program Highlights

▶ Business Volunteers and University Student Volunteers share valuable knowledge to stimulate students' interest in healthy personal finance, increase their understanding of smart shopping in the online World and develop students' skills in managing personal wealth

1

### Session 1 : Panel Sharing by a Business or University Student Volunteer

A Business or University Student Volunteer will share with students their experiences and advice on financial management and present an engaging and relevant sharing session from multiple perspectives.

2

### Session 2 : “Let’s Do It” Hands on Exercise

Students will be guided to prepare their personal budget and manage their own spending. A Q&A session will also be included to enhance interactivity and deepen students' learning.

3

### Session 3 : Online Learning Resources

Students will be guided to prepare their personal budget and manage their own spending. A Q&A session will also be included to enhance interactivity and deepen students' learning.

### Student Commitment

- ▶ Upon completing the 1-hour self-paced online learning activities, students will receive certificate and 1 OLE hour.

### Student Takeaways

- Examine Importance of personal money management
- Make informed financial decisions.
- Protect themselves against financial pitfalls.
- Online shopping and Safety

### About JA Hong Kong

Junior Achievement (JA) Hong Kong is one of the 100+ members of JA Worldwide, and a leading provider of Other Learning Experiences in Hong Kong. Our programs enable young people to learn the world of work from the first-hand experience of business volunteers. Since our establishment in 2001, we have engaged the support of over 28,000 business volunteers from some 700 companies to serve more than 420,000 students from over 600 schools.

As one of the world's largest youth-serving NGOs, JA Worldwide prepares young people for employment and entrepreneurship. For 100 years, JA has delivered hands on, experiential learning in career readiness, entrepreneurship and financial health. We create pathways for employ ability, job creation, and financial success. Each year, our network of over 450,000 volunteers serves more than 10 million students in over 100 countries.
